

## Charity Hockey Classic

The Foundation continues its 30<sup>th</sup> Anniversary year celebrations by hosting the “Charity Hockey Classic” on Thursday, November 16. All proceeds from the fun, family-focused event will support the purchase of the Shimadzu Mobile Radiography System for the Leduc Community Hospital.

Between April 2022 and March 2023, over 33,000 people visited the emergency department, up more than 20% from 2021-22. The mobile radiography system will certainly be a game-changer for patients accessing health care services within the emergency department and for staff working within the hospital.

On this thrilling evening of sportsmanship and community engagement, the Leduc Recreation Centre's Aspen Arena is all set to witness an epic clash between the 840 CFCW Critters and the inspiring Foundation's "Health Heroes". Sponsored players from various corners of the Leduc Community will unite as the Health Heroes to showcase their skills and compete against the formidable Critters. Learn more about the Critters and their charitable events [here](#).

**Get Involved:** The Foundation is inviting 16 sponsored players, two coaches, three officials to participate as well as one GUEST player from the community (between 12-15 years of age) who will join the opposing team. Additionally, corporate sponsorships and silent auction donations will make certain the event is a success. For full details on joining the Health Heroes and information on sponsorships, please visit our website at <https://lchfoundation.ca> or contact our office at (780) 980-4536.

Be prepared to cheer, bid, indulge in hot chocolate, and bask in the surprises that await! Admission tickets are \$5/per person and will be available in early October (details soon!) So gather your friends, family, and fellow sports enthusiasts, and join us at Aspen Arena for an evening of thrilling sports action as the Foundation's Health Heroes go head-to-head with the 840 CFCW Critters.
