Leduc Community Hospital Foundation

THE FOUNDATION – The Leduc Community Hospital Foundation is a registered charity that builds relationships with community partners and raises funds to support and enhance services at our local health-care facilities, which include the Leduc Community Hospital and health centres in Beaumont, Leduc and Thorsby.

The Foundation works towards fulfilling its vision and mission by promoting programs and services, as well as providing for special initiatives such as new technology, specialized equipment and innovative projects that enhance health care services in our community. Raising and distributing funds is a major part of what the Foundation does every year.
